BORN - Kankroli, Rajasthan, India

I'm a passionate Web & Graphic Designer producing creative graphic solutions for any communicational needs. I love to design clean, smart & effective works with a good palette of colours. Most of my projects focus on identity & branding, print designs and web design.

Looking to continue my career in a progressive & challenging firm that will allow me to utilize my unique skills in the field of technology and design which would lead to the fulfillment of both the corporate and personal goals along with seeking harmony between work and life.
